MISSION STATEMENT

The Manorville Soccer League is committed to the belief that participation in soccer, whether in practice or games, is a privilege that players, coaches and parents never want to dishonor. All participants look forward to practices and games as times that they will learn and have fun. Players, coaches and parents are always supportive of each other and will not confront officials over questionable calls. Players, coaches and parents are confident that their actions will always show the utmost respect for their teammates, their opponents, the officials, and most importantly, themselves.

As representatives of Manorville Soccer, all volunteers are expected to support the Mission Statement of MSC through their words and actions at practices, games and tournaments both on and off the field with their own players and parents as well as those who are part of opposing teams from outside communities.

I understand that all applications will be reviewed by the MSC Board and coaching positions will be voted upon and appointed. By applying for a coaching position within Manorville Soccer Club I agree to uphold the Mission Statement of MSC and understand that my status and/or position can be reviewed and/or changed by the Manorville Soccer Club Executive Board at any time.
